18 TROPHIES AND PRIZES

- 18.1 Daily trophies for first place in class will be awarded.
- 18.2 Series trophies for first, second and third places in class will be awarded. Classes with five yachts, or less, only a first-place trophy for the series will be awarded.
- 18.3 Overall winner, second and third places of The Superyacht Cup Palma Richard Mille 2026 in the combined J Class, Class A and Class B fleets will be awarded. Any yacht under 23.5m will not be eligible for the overall winner, second or third place in The Superyacht Cup Palma Richard Mille 2026.

To determine the winner the following scoring method will be used

1. Points will be calculated according to the following formula

$$PTS = \frac{Np - Nr + 1}{(Ny * Nr) - Nr}$$

Where:

Np = Final number of points scored in class results

Ny = Number of yachts in the class

Nr = Number of races completed

2. The winner is the boat with the lowest PTS. In case of tie it will be broken as per RRS A8.

3. If a tie still remains, it shall be broken in favour of the boat that achieved the larger corrected-time difference to the next lower-placed boat in her class in the last race.

- 18.4 The organizing authority may award a special trophy to a yacht that prominently fulfils the spirit of the event.
